

600 10th Street East

INDUSTRIAL/MIXED-USE OPPORTUNITY

Hastings, MN

For Sale

Sale Offering

Transwestern is pleased to present this opportunity to acquire the property located at 600 10th Street East in Hastings, Minnesota. This former headquarters facility is a strategically positioned industrial asset offering a combination of scale, functionality and site flexibility, making it well-suited to accommodate a diverse range of users and potential redevelopment applications.

Comprised of multiple parcels, the property provides a unique ability to support a variety of operational and future development strategies. The main building offers substantial square footage with efficient floor plates, flexible layouts, and a climate-controlled environment—well-suited for industrial users requiring adaptable, high-functioning space. The facility is further enhanced by heavy power infrastructure, ample truck parking and strong site circulation, supporting a wide range of manufacturing, processing and distribution uses.

In addition to the existing improvements, the overall site configuration introduces meaningful optionality for expansion or strategic repositioning: aligning with current market demand for well-located assets that offer both immediate usability and long-term upside. The property's proximity to Downtown Hastings and connectivity to the broader Twin Cities region further enhance its appeal to both users and investors.

Overall, 600 10th Street East represents a highly flexible investment opportunity with multiple execution paths and strong underlying land value, making it a compelling opportunity for owner-users, investors and developers.

PROPERTY HIGHLIGHTS

- Flexible Multi-Parcel Site
- Functional Industrial Facility
- Multiple Value-Add Opportunities – Limited outdoor storage, potential multifamily, etc.
